AN EXCELLENT BUNCH OF AMATEURS

We have seen a great many amateur minstrel performances, but none that came so near attaining professional excellence as that given by the "Commercials" at the Temple theater Wednesday night.

The boys gave a splendid show, and many remarked that all they needed was a few weeks practice to make them able to go out on the road. They had not had any too much practice for this performance, which made their success all the more creditable. About the only criticism to be made of their work is that some of them spoke in too low a tone.

The house was crowded, upstairs and down, and the audience was very appreciative. Never did an Ocala crowd go home in better humor.

The "Palm Beach Club," "Pat Anderson, Linn Sanders, Alfred Green, Leroy Bridges, Bryan Butler, Dick Stroud and Kenneth McKay, whose reputation in that sort of raiment. The "black face" contingent, Sibbald Wilson, Dr. Jack Halton, Rae Ferguson, Usher Norwood, Austin Bennett and Carol Blacklock, was funny enough to kill. Mr. Lester Lucas, professional, splendid singer and apt comedian, handled the little amateur bunch so well that it is evident he will some day have a show of his own. The pleasure of the evening was greatly added to by the skilled manipulation of the piano keys by Carlton Ervin.

The fun started with "Alabama Jubilee," by Usher Norwood. "Pat" Anderson, whose voice has had a local reputation for some time, followed with "Hello, Hawaii, How Are You." Rae Ferguson, Alfred Green, Carol Blacklock, Sibbald Wilson, Linn Sanders, Dr. Halton and finally Mr. Lucas outwarbled the mockingbirds.

Sibbald Wilson and Dr. Halton were properly named the premieres—to look at them was to laugh, and to hear them was to keep on laughing.

Everybody was expecting a scream when W. Austin Bennett rendered "Walking the Dog," but Mr. Bennett was out of voice and did not sing. He kept his corner illuminated by a cheerful grin, however.

One of the most interesting parts of the performance was the chalk talk by Rae Ferguson and Sibbald Wilson, which two boys have real talent as cartoonists. The sketches they drew of Mexico, President Wilson, Mayor Robertson, Teddy Roosevelt, B. Goldman and others were funny and faithful enough to be easily recognized. Each was greeted with a hearty laugh, and all us other distinguished men drew a long breath of relief when the feature was over.

The performance was closed by "The Sextette from Lucia," by the "Blackville School of Music," which alone was worth the price of the show.

Woodmen meet Friday evening.

VICTORY FOR GOOD ROADS

Taylor Has Put Itself in Line With
the Most Progressive Counties in Florida

(Associated Press)

Perry, July 27.—By carrying a bond issue for \$600,000 for good roads Tuesday Taylor county lined itself up with the most progressive counties of Florida and incidentally insured the building of the west loop of the Dixie Highway through northwest Florida over the lines on which it was originally laid out.

There will be twenty-four miles of brick and eighteen miles of sand asphalt on the Dixie Highway through Taylor county, which work will be done first and may be ready for use this winter. In addition there will be about 50 miles of sand asphalt roads in other directions through the county mostly radiating from this city, as a hub.

The vote was heavier than had been predicted in spite of the heavy rains which lasted for several hours. Ten precincts out of the twelve in the county show a total of 580 for bonds and 309 against. The two precincts not yet heard from will poll about sixty votes, which it is figured will be about equally divided. Precinct No. 1, which polls about half the vote of the county, gave 376 for bonds against 115 against them.

Tuesday's election marks the close of a campaign for good roads in this county that has lasted for two years. The present board of county commissioners was elected on "hard road" tickets, but the tide of sentiment seemed to be turning when four of the present commissioners were nominated in June on an anti-bond issue. The Taylor county good roads boosters were not to be discouraged, however, and the vigorous educational campaign conducted by the Taylor County Good Roads association had its fruiting Tuesday.

MR. TOMPKINS SAYS HE WAS MISQUOTED

Councilman D. W. Tompkins said this morning that he was misquoted, that the representative of the Star misunderstood him, when it was said yesterday that he was preparing to have the city's engineers, Twombly & Henney, removed. Mr. Tompkins says that he could not have made such a statement as attributed to him, because he is but one member of the council and without sufficient power of himself to effect a removal of the engineers. He said he thought the engineers ought to be constantly on the work of inspection, and failing in this ought to be removed. He interprets the contract with the engineers to mean that they shall constantly inspect the work on the new plant.

BETTER PAY ON THE BORDER

(Associated Press)

Washington, July 27.—The Senate has agreed to an amendment in the army bill which would increase the pay of regulars and militiamen on border duty twenty per cent for privates and ten per cent for the officers, by requiring that border duty be paid for on the same basis as for services on foreign soil.

Other amendments agreed to would allow the soldiers to vote in the presidential election and would raise the age limit for accepting recruits from eighteen to twenty-two. Under the latter amendment boys under twenty-one years of age would not be retained unless they get their parents' or guardian's written consent. The bill is expected to pass today.

AMERICAN FIRMS ARE INJURED

President and State Department Make Protest

(Associated Press)

NOTE SENT TO BRITAIN LAST NIGHT SAYS BLACK LIST INVADES THE RIGHTS OF NEUTRALS

Washington, July 27.—President Wilson and the state department have practically completed the protest against the British black list of certain American firms, and it is said it probably will be forwarded in a few days. State department officials said the black list injures American firms in violation of international law, while the British are understood to claim it will benefit the purely American firms and also that the United upholds the same principle, particularly during the civil war.

NOTE WAS CABLED LAST NIGHT

Washington, July 27.—The state department last night cabled the note to Great Britain protesting against the blacklisting of American firms as "an invasion of neutral rights. The note will be made public Monday.

HAMPSHIRE HOGS

Breed that may be Counted on to
Make Marion County Famous
for Bacon

In the years to come Marion county will be widely heralded as the county "famous for its Hampshire hogs." The bankers of the county, meeting yesterday afternoon with R. W. Blacklock, county demonstration agent, decided on the Hampshire for the boy's pig club work, and it is proposed that the farmers adopt the same hog in order that the breed might become uniform throughout the county. A number of leading farmers have already agreed on by the bankers, and it is expected that others will follow in this as rapidly as possible.

The hogs for the pig club boys will be obtained through the National Hampshire Association, and will be bred gilts weighing about 250 pounds each. The hogs will cost \$40 each delivered in Ocala. It was found that the first class hogs wanted could not be obtained for less. Mr. Blacklock will at once get in touch with the club boys and find out how many want gilts. Farmers, who want to obtain Hampshire hogs or sows can order them through Mr. Blacklock at the same time that the boy's hogs are ordered.

The one breed idea is gaining rapidly in the county as the advantages of it are pointed out, and it is believed that the adoption of the one breed is one of the most important steps ever taken in the county.

The Hampshire is a black hog with a white belt about its shoulders, and is a beautiful animal, with splendid records behind it.

OH! MY BACK!

The Expression of Many a Kidney
Sufferer in Ocala

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Ocala proof.
L. C. Pafford, carpenter, 29 East Monroe street, Ocala, says: "I had a severe case of backache. I couldn't straighten up after I once stooped over, unless I took hold of something for support. Often I could see dark spots floating in front of me and sometimes everything before me became black. A druggist recommended Doan's Kidney Pills, saying he had nothing better in the store, so I began using them. One box cured me."
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Pafford. Foster-Milburn Co., Props, Buffalo, N. Y.

Biliousness and Stomach Trouble
"Two years ago I suffered from frequent attacks of stomach trouble and biliousness," writes Miss Emma Verbyke, Lima, Ohio. Seeing Chamberlain's Tablets advertised I decided to try them. I improved rapidly." Obtainable everywhere. Adv.
